

Practical BSL support and information for you after a stroke.

Stroke
Association

Finding **strength**
through **support**

If you have a question or need to talk, our Stroke Support Helpline is here. Connect to a British Sign Language (BSL) interpreter via stroke.org.uk/bsl or signvideo.co.uk/sign-directory

You will also find a series of BSL stroke information videos to support your recovery. These include **After your stroke** and **Supporting someone after a stroke**.

 **0303 3033 100**  **helpline@stroke.org.uk**  **stroke.org.uk/bsl**
