

Support group volunteer x 2

Stroke Association support groups provide vital support for people affected by stroke in their local area. Built on friendships and fun, groups are a safe and supportive space to try things again, to learn more about stroke and self-care and to build people's confidence as they rebuild their life after stroke.

What the role involves:

As a support group volunteer, you will help with the running of the group. The role is designed to suit the needs of the group, and the skills of people offering support. If you enjoy getting to know your community, working with others and making a real difference then this is the role for you.

We are particularly interested in anyone that would like to be involved in the administration of the running of the group or in organising activities and outings.

In this role you're likely to be involved in the following:

- helping with community group activities and working with others
- Supporting the running of the group
- facilitating meetings with the volunteer team
- communicating with members about the group over email and other channels
- working with people and helping to support them at meetings and events
- keeping strong links with your local contact at the Stroke Association
- having a friendly and approachable manner and be comfortable welcoming people to the group.

Who the role might suit:

- A people person, with good listening skills
- A great communicator who enjoys meeting new people
- Good at putting people at ease
- Reliable and organised
- Passionate about supporting people affected by stroke
- IT literate, have good administrative and record keeping skills and be able to follow relevant policies

- Someone with a background in admin

What the role can offer you personally:

- As a support group volunteer, you will be part of creating a supportive community for stroke survivors and carers in your local area and online.
- The role is an opportunity to connect with and support your local community.
- You will meet new people who care about the same things.
- You will make a real difference to people's lives.
- A chance to develop new skills with a UK wide charity, which can improve your CV and employability.

Training for this role:

We provide all of our volunteers with training so they feel confident in the role and are able to give the best support to stroke survivors and carers. Our courses are accessed via an online learning system called Learn.

Essential training for the role is:

- The Stroke Association's People welcome session (2.5 hours over Learn)
- GDPR (online module over Learn and factsheet)
- Safeguarding training (online module over Learn)

For volunteers who take on specific health and safety and first aid responsibilities:

- Health and Safety for Groups (online module, over Learn)
- First aid (face to face all day training with St John Ambulance)
- Fire safety reminder (fact sheet)
- Any appropriate refresher training

Additional learning opportunities are available to develop your skills and experience:

Hidden Effects of Stroke / Emotional Impact of Stroke / Supporting People with Aphasia

We also offer ongoing support and expenses where appropriate.

Where and when you would volunteer:

The role is located in: Great Shelford Rugby Club, Great Shelford, Cambridge, CB22 5JJ.

You would be volunteering every Thursday from 12:00pm until 15:00pm.

The person to contact about this role is: Anya Pratt, Engagement Officer at anya.pratt@stroke.org.uk or by calling 07983 545283.

A Disclosure and Barring Service (DBS) check, an Access NI check or membership of the Protecting Vulnerable Groups (PVG) scheme is required for this role.

Our vision is for there to be fewer strokes, and for people affected by stroke to get the help they need to live the best life they can.

Our core purpose is to be the trusted voice of stroke survivors and their families. We want to drive better outcomes in stroke prevention, treatment and lifelong support for everyone affected by stroke.

**Volunteer and
make a difference.**
