

Babies, children and young people have strokes too.

Over **400 children** will have a stroke **each year** in the UK. Stroke is devastating and life-changing, with visible and hidden long term effects that impact on the whole family.

Find out more about how we're supporting young people affected by stroke and their families at **stroke.org.uk/childhoodsupport** or call our **Stroke Helpline: 0303 3033 100**

Together we can conquer stroke
