

Wimbledon Sweepstake

Rebuilding lives after stroke

Celebrate the Wimbledon Championships this year by organising your own sweepstake to raise vital funds for the Stroke Association.

Wimbledon sweepstake tickets

Fill out the players' names on the tickets below. Then cut them out so they are ready to be drawn from a hat.

How to organise your sweepstake

1. You can run your sweepstake for any one of the Wimbledon tournaments, or if you know a lot of tennis enthusiasts, why not choose more than one?
2. The top 32 seeds for the Championships are announced the week before Wimbledon starts. Once the seeds are announced, you can fill out the players' names on the tickets.
3. Cut out the players' names and ask your colleagues, friends, or family to draw a player from a hat. In return, you can ask for a suggested donation – we think £2 works well. Make a note of who has which player.
4. Throw an ace party to watch the final. Serve up strawberries and cream in return for some generous donations from your guests.
5. Game, set and match. After the final you can award the winner (or winners) with a percentage of the ticket donations (make this clear from the start) and donate the rest to the Stroke Association.

Please email us at supporter.relations@stroke.org.uk to let us know about your sweepstake and for more information on how to pay in your donations. Thank you.
