

## Participant Recruitment Advert

Hello,

We are a group of researchers at [Anglia Ruskin University](#), investigating language problems. We want to learn more about language problems in people who had a [stroke](#) and suffer from [aphasia](#).

If you participate in this study, we will invite you to a [group conversation](#) where you will have the opportunity to [share your experience](#) and [meet new people](#).

If you are interested in research, you could also be part of our research project later, by collaborating with the researchers in the design of the research [study](#).

### You can participate if:

You had a [stroke](#).

You are proficient in [English](#).

You [have language problems at the moment](#),

Or, you had language problems [in the past](#) as a result of stroke.

We are also looking for **carers or partners** of stroke survivors to participate in this research.

## Details about the study

### Where?

Anglia Ruskin University, Cambridge.

East Road, CB1 1PT

### How long?

Up to 2 hours.

### What will I need to do?

You will share your experience with the researchers and other people with aphasia.

You will answer some questions about your language abilities.

### Will I get any compensation?

Yes. We will pay your travel costs.

You will also get a £10 voucher for your time.

### Does the study have ethical approval?

Yes. The study has got ethics approval by the Faculty Research Ethics Panel under the terms of Anglia Ruskin University's Research Ethics Policy and the Code of Practice for Applying for Ethical Approval at Anglia Ruskin University.

**I want to participate. What do I do?**

Click on the [link](#) below or [scan](#) the [QR code](#).

[Read](#) the information carefully.
