"Wow. #StrokeAwards. In my ridiculous world you go to a few award dos, but this eclipsed them all. So moving. Humbling. Truly inspirational."
James Norton

"It's brilliant to celebrate people who have come through and prevailed. There is life after stroke and we should celebrate it."
Greg James

We are the Stroke Association, and we believe in life after stroke

Stroke is devastating. It can happen to anyone at any time. It can rob you of your speech, vision, mobility, memory, independence – and your life.

The Stroke Association is the UK's leading charity dedicated to conquering stroke. We:

- **Raise awareness** – 80% of strokes can be prevented
- **Run over 400 services** – giving 67,000+ survivors a life after stroke
- **Invest £4 million a year** – in life-saving research

That's why every year, through the Life After Stroke Awards, we champion the outstanding compassion and unfailing commitment of the individuals, groups and organisations that help to rebuild lives after the devastating impact of stroke.
