

Purple Playlist

Add some colour to your playlist by asking people to donate to play their favourite purple tune. To get you started we've listed our favourites below.

Want to make a game of it? Take it in turns to hum one of these tunes and see if your guests can guess it. Pay to enter, with prizes for the most correct answers and the best, or funniest, humming!

Want to pump up your purple playlist? Hold a competition to see who can name the most purple-themed songs in 2 minutes. Ask people to pay to enter and the winner gets a prize or half of the money put in. Don't forget to pay in the money you raise using the instructions in the 'Paying in your money' section of this pack.
