We’ve had a fantastic year...
We’ve supported 50,000 people
We’ve expanded national stroke support
We’ve scaled up our peer support
We’re working on a new national plan for stroke in England
NHS England now fund thrombectomy

“I’ve made an amazing recovery. Within three weeks of discharge I was walking, running, swimming, driving and cooking and caring for myself at home.”
We’re on track to fundraise £35 million
Independence doesn’t happen on your own

“We were told that it was unlikely that he’d ever walk again. That made us both determined to prove everyone wrong.” - Hazel, Alastair’s wife

Independence doesn't happen on your own

Through our peer support groups we help stroke survivors to get their lives back on track.

But, we can’t reach everyone. With your support more stroke survivors can regain their independence.
