

UKSF Conference Scientific Programme Committee

The Conference Scientific Programme Committee's role is to develop the programme and content of the annual conference. Meetings take place as often as needed during the year (typically 6 times a year). Members are all experts in their field and represent their individual coalition organisation.

The Committee also includes up to four places for Service User Representatives who contribute to the planning and content of the UKSF annual conference.

Current committee members:

- **Rustam Al-Shahi Salman**, British Association of Stroke Physicians
- **Melissa Broad**, Service User Representative
- **David Davis**, College of Paramedics
- **Joseph Dent**, College of Paramedics
- **Peter Langhorne**, UKSF Chair Elect
