ACC Liverpool

The UK's largest multidisciplinary conference
for stroke care professionals

Join us for the 11th UK Stroke Forum Conference

Early bird
offer - save
15% until
31 August

Why should you attend?

- The conference is unique in the UK, showcasing the latest in stroke research from a wide range of inspiring and world-class speakers each covering a different aspect of stroke care
- Engage with over 1,400 professionals from across the whole stroke care pathway
- Five accredited training streams and fourteen interactive educational workshops to choose from - giving you practical ideas to improve your own practice
- Fees for all three days start at just £182 for students and £300 for members of UKSF coalition organisations
- Discover the latest industry developments from over 50 exhibitors
